Putting Out

Two young and rich roommates looking to learn about sex

"My roommate and I are what you'd call sex retards," admitted Leoni, a young beauty. "We're both 19, and when it comes to sexual experience, we're completely ignorant."

You see, both of our dads own a law firm together and have dedicated their lives from keeping the world away from our bodies, if you know what I mean."

Their fathers had recently represented a man who was one of the country's wealthiest industrialists, and when I heard that name, I began to fantasize about the megabucks these two college co-eds must have access to.

"We both went to private schools and when we were home we had nannies to watch us. Now we're free, but we are free dopes, as far as sex is concerned. We need someone we can trust to show us..."

What made her think she could trust me to help her out? I sat there taking it all in, with a stiffening cock in my pants as I listened to this hottie tell me the story of her life. I was drooling and I couldn't wait to fuck the ass off of her and her roommate. I stopped dreaming long enough to ask, "Then neither of you has ever had a sexual experience?"

"Once," her roomie Allie replied, "and it was disgusting." I decided to let that pass, even though "Dick" sure was interested. But I needed more details first. I agreed to meet with them at their dorm.

When I arrived at their flat around 4 pm, it was the day before Halloween. Leoni and Allie were decked out in a maid's outfits that looked like a leftover from a porno flick. Their lus-

cious tits were almost fully exposed and their skirts ended at crotch length. I thought I had landed on Fantasy Island.

Their cleavage would have given me double D hours of envy, I thought, as I followed them into a small living room.

Leoni was a dark blonde, slim with silky tresses over her soft shoulders. Her skin was silky white and her dark blue eyes lit up every time she spoke and her lashes were so long and lovely. Allie, also slim, had heavy lipgloss on and her lips that made them look soft and shining and puffy. They both looked as if they had just played hostess to the largest cock in history, as a compliment to their loveliness.

Drinks were offered. We began to laugh and talk as a cocktail began to loosen us. My heart did flips as juicy Leoni leaned over me with that lovely cleavage. I was eager to begin, but afraid to rush things, but they weren't making it easy. They acted less than their age as they giggled over a rock star. I sat there like a third wheel for a while.

Leoni smiled, indicating I should sit down on a large beanbag. I watched as her gorgeous ass wiggled towards the kitchen area. While I waited, I got up and cased the room a bit. Walking over the window I was staring out into the courtyard when out of the corner of my eye I spotted both beauties walking towards me.

Leoni and Allie were standing next to a huge bookcase, lovely visions in the soft light of late afternoon.

I began to dream of fucking these girls and I got hornier and hornier. They took me by my hand and sat on the edge of the bed. Both star-

I don't know whether it was instinct or those magazines they read, but they worked me like a pro. Allie clapped her hands as I thrust harder and harder. "Look at how big his thing is!" she squealed. It was obvious they were reading a lot about sex ...

ing at me as though I were a pet monkey who would begin some clever trick on command. What the hell, I decided, and zipped open my fly. I pulled out my semi-hard cock, feeling like an amateur flasher. "Here comes lesson number one," I announced.

"My God!" Leoni screamed, holding her hand over her puckered lips. Allie got more to the point.

"Look at his thing! It's all hard!" she said. "Can I touch it?"

"Why, of course. Come here and grab it." She was an adorable girl. I grinned for assurance.

"Sure, baby," I said, moving my hips with the flow.

They both giggled like schoolgirls who had just gotten a good mark in biology. I continued pumping my cock in the girl's soft hands. They were terrific! I didn't even have to tell them to cup my balls with her other hand. I don't know whether it was instinct or those magazines they read, but they worked me like a pro. Allie clapped her hands as I thrust harder and harder. "Look at how big his thing is!" she squealed. It was obvious they were reading a lot about sex and they had decided it must be a beautiful thing—not at all like the one experience they had before. I agreed that it was indeed ethereal and beautiful. As I listened, I was pounding my meat like a fiend.

Leoni watched, entranced, as Allie gripped my stick near the swollen head and once again looked at me questioningly. I demonstrated how to stroke it easy. "You'll get your turn," I told Leoni. "So watch her and learn how to do it."

It's so hot, Allie giggled, rubbing me gently. Before long I had stripped down to my shirt. My briefs were at my feet, along with my chinos ... and man was I hard! I pushed Allie away and motioned for Leoni to come over. She took Allie's place on the bed and watched as I put my throbbing cock into her roomies hot

little hand.

As she stroked me, she turned to Leoni, "Isn't it cute?" she said. She looked at my perspiring face. Allie helped out by squeezing my balls and Leoni jerked me like her life depended upon it as globs of cream splattered all over her face and hair.

Allie put her hand out and touched my cum. "Look at the stuff coming out of his thing," she exclaimed.

Then I got a wonderful surprise. Allie got on her knees and began to lick the cum off my semi-hard cock. I watched her as my heart beat faster. Dressed in that silly maid's dress, with her long hair in her eyes, she licked and sucked my big prick like an ice cream cone. Lick, suck, lick. I felt myself getting hard again. These little bitches were really clueless when it came to sex. They were two hot-bodied Lolitas and I would be their teacher.

I felt it coming and yelled. "Squeeze my balls. Squeeze!" I shot a load on her blushed and sweating young face. Allie woke me out of my post-cum reverie as she kissed my balls and licked her lips. "Salty," she grinned, her swollen lips silver with love juice. "That was fun," she said.

I told them there would be another lesson the next day and that it was getting late, so they should go to bed. I was pulling up my undershorts and pants and Leoni asked if I would tuck them into bed? I nodded, "sure". My dick was getting hard again.

I went over to Leoni's bed and kissed her on the lips. As I made my way to Allie's bed, pulling the covers up to her soft shoulders, bending down to kiss her, Allie whispered, "You're sweet. It was wonderful!"

The next day when I got to their apartment, they were dancing around to music. I stared in wonder at these two beautiful girls wearing sexy lingerie, which Allie said they bought from some online store. Their lingerie was definitely hot: black lace bras barely holding their lush breasts, with the front of the cups cut out so their rather large red nipples poked through. Their panties were frilly and had the word "Cunt" sewn across the crotch.

After watching these carefree girls let loose, my dick was ready to move on to lesson number two.

"Take off your lingerie." I said. I was almost out of my mind as I saw them lean forward to strip, their jiggling young jugs quivering and bouncing. I couldn't wait to fuck the hell out of them! First, however, I wanted to sneak into those warm, young pussies and then get my

hands on those big titties.

Are you ready for us? They asked in unison. I grinned and they smiled mischievously. "I'd like you both naked". I said.

They reached for the hems of their black silk frocks, and as they slowly pulled them up, I feasted on their luscious legs and thighs. They had on black mesh stockings and high-heeled patent-leather pumps. Leoni was snapping her garter as I pulled my swollen prick out of its constraints.

"He likes our outfits!" Allie laughed, pointing at my jutting cock. I told them to keep quiet and strip slowly.

They must have rehearsed, because they both unbuttoned their dresses together. As they did, they licked their glossy lips and smiled lasciviously. Their greatest feature—or should I say double-feature—was their tits. They were big, round and firm, topped off by the most suckable nipples I had ever seen. By that time I didn't need sexy lingerie to keep me hard. I stood there fully exposed, naked and rock hard, my balls swinging and full.

By late in the evening I had fucked those two young cunts so many times I lost count. Their snatches were so squishy with cum that we stuck together as we screwed. The girls loved it and they laughed and giggled when our bellies stuck and then suddenly released with a thwack.

I did everything I had always wanted to do to a really hot little bitch. I sucked their wet pussies, kissed their assholes, fucked their mouths, shot loads of cum everywhere. I even got my cock part way up Allie's asshole and shot a load into it.

That night, when I kissed them and tucked them in, I reached under the covers, gripped her swollen vagina, and squeezed. Leoni raised up on one elbow and kissed me with her mouth open. Her tongue almost went down my throat as I fingered her moist cunt. I felt under the covers to grab her slit, but she pushed my hand toward her ass. I rimmed her gently with my middle finger as she reached for my prick. Sitting up, she put my sticky finger in her mouth and sucked it hard. Her eyes sparkled and she smiled at my cock as I pushed my finger up her shitter. Her hips began to rotate.

"Come on, sweetie. It's bedtime." I said. Then I pushed her back under the covers.

The next day we went over all of my "lessons" and I found that the girls passed all the tests, but my cock didn't. It was getting sore, so I designated the evening as "Suck Night." We sucked each other in all sorts of combi-

nations and positions, and these lovely little girls especially loved it when I got down on their young and tight cunnies. "Get your fuck-ing tongue up there," Allie ordered, having really gotten into the spirit of things. Leoni asked if I would like her to finger-fuck my asshole while I sucked her Allie? Inhibitions were a thing of the past with this dazzling duo.

That evening Allie said, "I loved it when you tongued my pussy, but I'm sorry I kept getting your face so wet." She open-mouthed me like a slut as we kissed goodnight. Then I walked over Leoni.

"God, it was the first time I ever had my pussy sucked," she said. "It was so fantastic." I massaged her huge nipples as she kissed me and reached for my chafed prick. I told her to save it for tomorrow. Then I kissed her flushed cheeks and ran a hand through her hair.

The next day I titty-fucked them, which was lots of fun for all of us. As I got my hard-on in between their soft melons, it felt like I was in a hairless cunt. Half the time I didn't know who I was kissing or playing with.

That night, just before we went upstairs to shower, I shot a big load into Allie's mouth. At first she had resisted, but after I began to fuck her face she began to nurse on my prick with her thick lips.

It was the last evening we shared together. I had to admit I had lots of feeling for the cute little cunts. Allie's hot little slice was oozing as I reached beneath the covers. She had been playing with herself. I pulled the covers off her and licked her while Leoni watched and fingered her slit. Then I sucked Leoni's tits for a few minutes before I tucked the girls in for the night.

It was one experience I'll never forget, and the stuff of wet dreams for years.

I sucked their wet pussies, kissed their assholes, fucked their mouths, shot loads of cum everywhere. I even got my cock part way up Allie's asshole and shot a load into it.

MAI & LEXI

Mai and Lexi used to be really good friends when they were younger but grew apart over the years. Lexi's gotten a bit wild and Mai became pretty tame. When they got together this time, it was lust at first sight. They played games with their tongues and dildos until they both soon realized what they had been missing all these years.

I should have kept my hands off, but I just couldn't help myself

Doing my best friend's son

It was an awkward situation. Mark, my friend's 18-year-old son, expressed it when he said, "I feel kind of silly calling you Mrs. Klingerman, when you're practically the same age as me." "Then just call me Donna," I suggested, and he did.

But that didn't end the awkwardness, because despite the fact that I'd never met him I found him an intensely attractive young man. That's because my friend Darlene had moved to California when she'd married Felix. But the summer I graduated high school I was just hanging around the house and trying to figure out what to do with my life when we got a harried phone call from Felix. He said Darlene had undergone a serious operation. Since Felix is a salesman and he's out on the road a lot, he asked if I would come out and stay with Darlene while he was away.

Darlene was home from the hospital and in her own bed by the time I arrived. She was sullen and seemed to be filled with an obvious resentment toward me, which I couldn't understand. Felix was already out of town. Darlene's attitude obviously embarrassed Mark, who really seemed like a nice person. He is tall and good-looking, and I figured he had at least a dozen girlfriends. We became friendly, and I decided maybe he could fill me in on his mom. I got him alone and asked, "Why doesn't your mother like me? What did I do?"

My frankness disarmed him. With a resigned grin he said, "You were born 18 years after her. Mom is growing old and it irks her to have a friend who's so young and pretty."

"Oh," I said. "Thank you."

Mark blushed, and I felt my face getting red too. I was hot, all right—for Mark! He turned me on physically, my best friend's son! I found myself wondering how it would be to have his arms around me, to feel his hands on my body, to experience his prick moving up my thighs and between my legs.

Just the thought of it made my legs go limp. I got so hot that my skin itched and my pussy got damp with desire. I hadn't masturbated too often during my life, but I knew I'd be doing it more often now that Mark was on my mind.

Mark couldn't keep his eyes off me, either. He kept stealing glances at my breasts and ass. Frankly, I felt a surge of pleasure each time I knew his eyes were on me. It was a harmless flirtation, I thought. After all, nothing would happen between me and my BFF's son!

Harmless or not, I kept wondering if sex with Mark would feel any different than it had my first and only time, when I fucked a guy in the backseat of a car the night of my senior prom.

I would lie awake nights and finger my pussy while Mark was sleeping in the next room. Darlene was no help at all. She was cantankerous and ill-tempered. I ignored her attitude as best I could.

One day, when Mark and I were talking quietly in her room and we thought she was asleep, I looked over to find her awake. Her eyes were

BLAIR-NTS-00

My body was on fire, building up pressure, and my one thought was to release my cum. I was barely conscious of that; I was grunting and groaning with excitement. At the moment of orgasm I let out a blood-curdling scream.

watching me with hatred and jealousy.

Jealousy? I could swear it. She was afraid I'd steal her little boy away from her!

Not that I would have minded. Mark was a hunk. Maybe if we had grown up together and our relationship had been different, Darlene's attitude would have been different too. After all, he and I were practically the same age.

It was an awkward situation, and the best thing I could do would be to get out of there and go home as soon as my friend was well enough to be on her own. Meanwhile, I masturbated frequently. Wow, did I masturbate! I made up for all the times hadn't played with myself, for all the times I hadn't gotten laid. I would lie in bed naked at night and think of Mark. I would picture him naked, with his big cock sticking out at me.

I would close my eyes and think of how nice it would be if he were in bed with me. I pictured him taking me in his arms and kissing me tenderly. I could feel his lips on my mouth. Then his hands would stray over my breasts, as mine were doing, and rub the flesh, pinching the nipples. In my fantasy his hands moved down over my restless belly and into the pubic hair covering my moist slit. His finger dipped into my pussy and moved in and out, forcing my juices to start dripping.

My body was on fire, building up pressure, and my one thought was to release my cum. I was barely conscious of that; I was grunting and groaning with excitement. At the moment of orgasm I let out a blood-curdling scream.

I was breathing heavily, my body soaked with sweat, when the door burst open and Mark came rushing in. A disturbed look had twisted

his handsome face. "Donna, are you all right?" he asked. And then he stared at me in amazement.

It was a moment before I realized I was completely naked and fully exposed to his startled gaze. I pulled the covers over me and tried to speak. "I had a bad dream, a nightmare," I said. "Sorry if I woke you up."

He backed away, and then hesitated. "Oh, no, that's okay. I was up anyway, reading. Sure you're okay?" I nodded. "Well, go back to sleep now," he said softly.

He backed into the hallway and closed the door. I realized then I should have locked the door before I got into bed, but it was too late for that now. He had seen me! I wondered if he'd bought my story about the nightmare. Well, why shouldn't he? It was certainly possible. But I was embarrassed. Mark saw my naked body, and I was sure he liked what he saw!

I sure hoped so!

The next morning, while I was serving Darlene breakfast in bed she said, "I heard you had a nightmare last night."

"Sorry if I woke you up," I apologized.

"I was awake," she continued. "I don't get much sleep. I heard Mark go into your room." I was sure she had also heard him leave. "He's a good kid," she said.

"I know," I answered. But I was thinking he's not a kid; he's man!

"I want you to stay away from him!" Darlene said harshly. "What?" I asked, stunned.

"You heard me," she said. Her lips were set in a tight line and her face was grim. "I don't want you two screwing around!"

I could hardly believe what I was hearing.

"I've noticed the way he looks at you," Darlene persisted. "As though you're just a girl. But you're not just a girl. You're my friend. I know how it is when a young man gets his juice up. It's up to us women to keep them in line and not let them do things we'll be sorry for later."

I didn't remind her that she'd gotten pregnant because 'a young man got his juice up' and she hadn't kept him in line. I also didn't mention that I was a young woman, the same age as her son, with juices of my own.

I was startled to feel her touch my arm. Her face had softened and for a moment she looked almost pretty and gentle. "I know we haven't been very close, Donna; we are more like strangers than friends. You've been very good in coming out here and helping us. I do appreciate that."

"I'm glad to help," I told her, glowing at this

unexpected breakthrough in our relationship. Impulsively I bent over and kissed her feverish forehead. "That's what friends are for," I assured her.

She smiled. It was a nice smile. I felt guilty that I'd had sexual thoughts about my friend's son. No more of that, I decided. Darlene was getting better and I would be leaving soon. I didn't want to have anything to be sorry for.

After I went to bed I fell into a restless sleep when I suddenly woke up, hearing someone coming into the room.

Startled, I started to scream, but a strong hand covered my mouth. "Shh! don't wake up my mother!"

It was Mark. He was wearing pajamas, and I was glad I had on my nightie this time. It was short and flimsy, but at least I was covered, partially.

"What are you doing?" I demanded. "You shouldn't be in here."

"I can't help it, Donna," he said. "I want you."

For a moment I was speechless. Then I gathered my wits and said, "That's crazy! I'm your mom's friend!"

"You're a young, beautiful woman," he said, "and I need you."

I started to protest, but before I could speak his lips were crushing my mouth. His tongue slid through my lips and his hands squeezed my breasts. My nipples got hard and I struggled to a moment. Then I relaxed. I realized he felt good, so very good, and nothing so good could be bad, could it?

As moisture gathered in my pussy, I snapped out of my trance and pulled away from Mark. "No, you can't!" I protested.

His mouth covered mine again with renewed determination. His hands gently but insistently fondled my breasts through the nightie and I felt his stiffening cock poke through the hole in his pajamas and press up against my naked thigh.

The touch of his sex rubbing against my bare flesh was too much. I wanted his cock inside me, so I reached down and took it in my hand. I rubbed it lovingly and it felt wonderful. It was full and big and hard. Just as I had dreamed it would be.

I pulled his pajamas down and guided his prick inside me. When he sank into me, I did some moaning myself as his cock filled my pussy completely. I relaxed my muscles for a moment, savoring the feeling of Mark inside me, and then I began the rising and falling motion that worked his cock deep into my body.

He lifted my nightie off and then played with my breasts, while I moved my hips up and down, up and down, up and down.

I must have had three orgasms in a row before Mark pierced me with one final thrust before blasting his big, hot load of cum against my inner walls.

All of a sudden I was blinded by the overhead light and a shrill voice shouted "You bitch!" Darlene was standing in the doorway, her face a mask of venomous hatred. "Just because I'm sick, you rotten slut, do you think you can take advantage of my son?"

"Mom!" Mark shouted, as if scared to death.

"Shut up!" she screamed. Then glaring at me she yelled, "I want you out of my house! Now!"

It looked as though my friend could get around by herself now, so my job was done anyway. "Please calm down. I'll leave first thing in the morning."

"You'll leave now!" she screamed.

I didn't feel like arguing, so I got up and started packing. "As for you, young man," she told Mark, "I want to have a word with you!"

Mark looked at me, and then at his mother. He just shrugged and followed her out of my room. Darlene slammed the door behind them.

As I continued packing, I heard harsh words coming from Darlene's room as my BFF and her son argued like mad. I'd really messed things up. If only I'd pushed Mark out of my bed, instead of grabbing his cock. I sighed, knowing that if I'd done that, I'd have regretted it even more. No, I was glad I'd had Mark, if only one time.

Sometimes you know you aren't doing the right thing, but I guess if you're willing to take the risk, it's worth it.

I pulled his pajamas down and guided his prick inside me. When he sank into me, I did some moaning myself as his cock filled my pussy completely. I relaxed my muscles for a moment, savoring the feeling of Mark inside me...
